A Grand Old Soldier.
Troubled With Severe Pains in His
Back for 30 Years.

I have been troubled with severe pains in my back and kidneys for over 30 years caused by exposure during the Civil War.

I tried many Patent Medicines and physicians but could secure no permanent relief.

A sample bottle of Dr. Fenner's Kidney and Backache Cure was given me and it did me so much good that I finally took several of your dollar sized bottles which effected a prompt and permanent cure.

It is pleasant to take. You may refer any one to me as I shall take great pleasure in recommending it.

AMUSEMENTS.

"SERGEANT KITTY."

"Sergeant Kitty," a comic opera that was pronounced by the New York critics to be the best of this style of theatrical entertainment offered to the public in many years and which made record runs in New York last season at the Casino and Daly's Theatre, is headed this way. It will be seen in Pensacola next Saturday night for only one performance.

This play tells in a rational way the story of a pretty, winsome, headstrong girl, Kitty, who is determined to be married to the man she loves despite the opposition of an eccentric old aunt. The elopement, the marriage by proxy, the pursuit by the aunt, the tricks played by Kitty upon the aunt, the complications which arise from the necessity of keeping the marriage a secret and the added troubles of another couple who are also married secretly and the love-making and disappointment of a funny captain are the ingredients that go to make one of the most comic of all operas.

EUGENE V. DEBS.

The announcement of the appearance of Eugene V. Debs at the opera house next Friday night is met with general satisfaction throughout the city.

The Library Association is to be congratulated in this engagement as there are hundreds of people here who have admired this man for years, and watched his course.

No more eloquent, magnetic or forceful speaker has been upon the rostrum in recent years. He is not only a profound student, but an orator as well, whose every word has the true ring of sincerity. Mr. Debs' tour is of necessity limited, and Pensacola was fortunate in being included in his tour.

His subjects are "Industrial Evolution," "Labor and Liberty," "The Great Struggle" and "Modern Problems," all of which are acknowledged by both press and public to be gems of eloquence, thought and strength.

SOUTHERN HOTEL CHANGES HANDS

PROPERTY PURCHASED OF JUDD
& TAYLOR BY MISS HILL, OF
TALLAHASSEE, AND WILL
BE IMPROVED.

The Southern Hotel property changed hands last week, the former owners, Judd and Taylor, selling out to Miss Hill, of Tallahassee. The consideration as given is \$10,000 and other considerations. It is believed that the purchase price will aggregate \$15,000.

It is understood that the new owner will soon begin the erection of another story to the building and that elevators will be put in and other improvements made.

For some time the accommodations have been insufficient to supply the demand and the new owner, so it is said, intends to make the property thoroughly up-to-date in every respect.

A LIGHT ON TOWN. POINT IS BADLY NEEDED.

Editor Pensacola Journal:
I see by The Journal that the Jacksonville Board of Trade is trying to get a lightship for the month of the St. Johns.

Why cannot the Pensacola Chamber of Commerce get a beacon light on Town Point where one is so badly needed?

S. S. [For the information of the above writer it may be stated that The Journal and the Chamber of Commerce have each urged upon our representatives in congress the necessity of a light on Town Point, but no results have as yet been secured. It is hoped, however, that something may yet be accomplished to supply the greatly needed aid to navigation.—Editor The Journal.]

UNPRECEDENTED COLD WEATHER IN MACEDONIA.

Constantinople, Feb. 13.—The winter in Macedonia is almost unprecedented in its severity. Snow lies on the ground at Monastir thirty-six inches deep, and the thermometer registers 31 degrees below zero. There has been a great deal of suffering and many have perished of cold. Traffic on the railways is interrupted, the roads are impassable and the price of necessities has increased enormously. The sultan headed a list for the relief of the people by a subscription of \$1,000.

LAUNCHES.

We would like to state to our many friends and patrons that the Edmundson launches have nothing whatsoever to do with any other boats leaving city wharf for the island or any other point of interest. We would further inform the people of Pensacola that we are here to stay and are now in a position to carry parties to any place they wish to go at any and all times. We will be making trips every day to the gulf, passing all the forts also giving parties to the shells. Sunday, February 12th will leave city wharf at 9:30 a. m. and 2 o'clock p. m. Follow the crowd and have a good time. Launches Capt. Nancy, Edna S. Robert L. E. Phone 204. CAPT. BENNIE EDMUNDSON, W. P. LAZELLE, Owner.
